

MSS Optical Sorters Open House

MSS invites all June Meeting attendees to experience their Nashville facility. Demonstrations will be offered on two occasions and individuals are responsible for their own transportation.

- Tuesday, June 6, 9:00am – 12:00pm
- Thursday, June 8, 12:00pm – 4:00pm

MSS, Inc. is a leading manufacturer of optical sorting equipment and a long-standing member of APR. They will provide demonstrations of their AI, NIR, Color and metal sensors as well as robotic and air jet extraction technologies. Demonstrations of sorting of PET thermoforms from PET bottles, contaminants from shredded plastic film as well as the APR NIR sorting protocol will be provided.

Email Felix Hottenstein if you're interested in attending this optional offsite event.
